PAST EMPLOYMENT

February 2015 – December 2016 - Manchester and District Rugby Union

Referees Society

I work freelance for the RFU's Manchester district as a Hi-Pod Operator, filming their referees and uploading the match footage to Vimeo for analysis. I am also sent other's footage to make available for the referees and assessors.

July 2014 – September 2015 - weprintanyhood.com

During the Blackpool tourist seasons, I work in store at weprintanyhood.com. I have experience using Roland GX-24 cutters and the Mimaki CJV30-100 solvent printer and cutter. I also have experience with Vinyl, solvent based and pigment based transfers.

January 2014 – May 2014 - Preston Grasshoppers

For part of the 13/14 rugby season, I worked as the Videographer for Preston Grasshoppers RFC. This involved filming the matches and posting them on Youtube for analysis.

May 2013 – July 2013 - Events Photo Team

I worked as a Photographer and Sales Assistant for Events Photo Team at Blackpool Sea Life Centre. This involved me enthusing and photographing customers against a green-screen background on their way in. I made this a memorable and enjoyable experience for customers of all ages. I also sold photographs as photographs, key rings and fridge magnets.

January 2013 – April 2013 - Roxholm Entertainment

Alongside college, I worked as a co-founder and Director of IT for an entrepreneurial Media & Marketing company. We worked for charities and some larger clients.

WORK EXPERIENCE

June/July 2010 - BAE Systems – 2 Weeks

September 2015 - Wigwam Acoustics

I had an unpaid opportunity working for Wigwam Acoustics looking after the radio microphones for some of Cannon & Ball's theatre show, The Dressing Room. My responsibilities included setting up the radio mic antennae and receiver units, making sure the belt packs had full battery and would not run out mid show and assisting with other technical requirements.

ACHIEVEMENTS

Hold full UK Driving Licence (no points)

DBS Cleared

Barclays BBC Technology Challenge Participant

INTERESTS/RESPONSIBILITIES/VOLUNTEERING

I previously volunteered on the technical team as All Saints Church for over 2 years. I covered multimedia Projection, Sound Mixing, Camera Operating and Lighting. I also help lead two different youth groups at the church for young people between 11 and 18.

I am currently the Production team leader at Kings Church Blackpool. My role covers Sound, Projection, Lighting, installation of equipment, area development and technical training & support. I also help run the 11-18 youth program, Encounter Youth.
